EDUCATION

University of Macau **Aug. 2023 – Jun. 2027**
Bachelor of Social Sciences in Communication
cGPA: 3.61/4.00, Dean's Honor List (2023-2024, 2024-2025, 2025-2026)
Core Courses: Advertising, Introduction to Public Relations, New Media, Media Management, Quantitative Reasoning for Social Sciences, Introduction to Culture and Communication, Fundamentals of Visual Culture

Zhejiang University | Exchange Student **Mar. 2026 – Jun. 2026**
GPA: 4.09/4.30 (89.91/100)
Core Courses: Critical Thinking, Program Strategies and Marketing, Multiculturalism and Intercultural Communication

INTERNSHIP EXPERIENCES

IBM | Marketing Intern **Jul. 2026 – Aug. 2026**
- Supported the regional rollout of IBM's global "Let's Create Smarter Business" campaign, collaborating with Stagwell on Chinese advertising copy localisation and delivering promotional materials for 20+ regional clients and partners.
- Managed university-channel promotion for IBM Z Skills Fest across Central China, developing social media and event materials and supporting community engagement across 8+ leading universities.
- Supported pre-event marketing for the 2026 Wuhan International AI Computing Expo, producing 10+ communications materials for audience outreach and brand promotion.
- Built a regional communications tracking system, analysing social media, registration, and participation data to inform content and channel optimisation.

Ulike | Brand Marketing Intern **May 2026 – Jun. 2026**
- Participated in the launch of a new beauty device, conducting market and competitor research on advertising and communication strategies, co-branding, pricing, livestreaming, and promotion tactics to inform launch strategy.
- Managed end-to-end influencer campaigns across Xiaohongshu and Douyin, coordinating 50+ influencers with 10M+ combined followers and ensuring content alignment with brand positioning.
- Supported the BEYOND International Innovation Expo in Macau and Douyin Fashion Night, coordinating event materials, audiovisual content, and cross-functional execution; related Douyin topics generated 300M+ exposures.
- Built an influencer performance tracking system, analysing exposure and engagement data to inform content strategy and channel selection.

Fashion Guangzhou | Operations Intern **Jun. 2025 – Sept. 2025**
- Managed media communication planning for high-end luxury brands such as Bvlgari and Tiffany; authored and published 20+ press releases on mainstream media platforms including Tencent and NetEase, achieving 10,000+ cumulative exposure.
- Led the "Global AI Marketing Frontier" special project; produced in-depth industry observation reports and visualized videos through case analysis and trend analysis, strengthening the account's professional media attributes.
- Established a WeChat Official Account data monitoring system; leveraged existing data to guide new content creation, producing multiple viral articles with single-post interactions exceeding 2,000.

GOLDEN Education | Xiaohongshu Operations Intern **Jul. 2025 – Aug. 2025**
- Independently operated a Xiaohongshu account, achieving over 400 follower growth in the first month and generating over 110,000 total post impressions with a peak click-through rate of 22.9%.
- Built a follower base of nearly 1,400 and maintained a core user community of 100+ members; designed interactive topics and Q&A mechanisms, effectively enhancing user stickiness and private domain conversion potential.

Wuhan Shangqi Network Information Co., Ltd. | Operations & Administration Intern **Jun. 2024 – Jul. 2024**
- Operated the company's Official WeChat Account, including content creation, promotional copywriting, activity management and audience engagement; assisted in process optimization to streamline workflows and enhance operational efficiency.

PROJECT EXPERIENCES

ROMOSS Mobile Power Bank Crisis Analysis | Team Member **Oct. 2025 - Nov. 2025**
- Evaluated ROMOSS's PR strategy during its 2025 product recall crisis, applying SCCT to critique official statements and identified secondary operational risks (e.g., customer service delays, logistics rejections) causing trust erosion.
- Formulated a comprehensive crisis response framework, redesigned real-time monitoring via the OODA Loop and built short- and long-term roadmaps, including daily transparent recall updates and third-party supply chain certifications.

Lost in Transition: Graduates Face Major-Job Mismatch in Macau | Lead Creator **Mar. 2023 – Apr. 2024**
- Conducted an in-depth analysis of the youth unemployment issue in Macau, using official data from the Education and Youth Development Bureau (DSEDJ) and personal interviews with local youth, and leveraging tools such as Excel for data visualisation and analysis, highlighting persistent employment challenges despite policy support.
- Produced an English video report (published on YouTube: https://youtu.be/s_FLo-TCeh0), responsible for preliminary data statistics, content collection, post-editing, and dubbing.

SKILLS & OTHERS

Software Skills: Proficient in CapCut, Canva, MS Office
Languages: Chinese (Native), English (Fluent, IELTS 7.0)
Other Involvements: Event Planning Lead of Ma Man Kei and Lo Pak Sam College House Association, Volunteer Team Leader in 2024 Macau International Movie Festival
